

THIS IS NOT A BURN

## Handbook for Unch**ART**ed Territory

We are having an alternate drive-thru event on Valkyrie Ranch in Paige to support our artists. This is not a burn, and this is not a campout. We will be following all CDC COVID-19 guidelines.

ART will be accessible for drive-by viewing from your vehicle along a one-mile loop road in the event site. On-site vehicle access along the loop will be limited to 10 cars at a time, and each car will be allowed to be on the event site for two hours max.

TICKETS will be available for online purchase or credit card only at the front gate. No cash will be accepted on-site. Tickets are for a specific time slot and are per-car, so carpool with folks inside your pod or bubble. Arrive with your entire party in one vehicle. Arrival by Uber/Lyft/taxi will not be permitted and no overflow parking is available. Vehicles may only have up to eight passengers. No commercial or oversized vehicles will be permitted entry without prior approval.

BRING a face mask or covering, hand sanitizer, water and snacks.

GATE will be immediately inside the property line. You and others in your vehicle will need to confirm that you do not exhibit coronavirus symptoms and that you have not come into contact with individuals who have tested positive in the last 14 days.

Once you are past Gate, you can get out of your car to stretch your legs in a designated area. There will also be porta-potties available onsite. Drivers must stay on marked roads, and participants must remain in their vehicles except to stretch or use the portos.

If you get out of your car, you **MUST WEAR A MASK**. Stay within 10 feet of your vehicle. Do not come within 10 feet of other attendees, artists, or volunteers. Any violation of these rules is grounds for immediate expulsion, with law enforcement involvement and without refund.

Anyone in a PHOTO (or video) must give explicit permission before it is taken as well as consent to how it's used and distributed. Failing to get consent is grounds for ejection.
